## Birmingham Vulcan, open

Showing heavy, perpendicular corrugated, single fire back; heavy dump grate, reinforced cover, big pouch feed, deep ash pit, etc.

# BIRMINGHAM STOVE & RANGE CO., Birmingham, Ala.

"HIGH GRADE - LOW PRICE"

The "Oreole" is a bird.

It is built especially for coal out of the best material obtainable and is securely mounted. Particular attention is paid to the fire box, which is roomy, with heavy endliners and single fire-back. It contains dump grate, has pouch feed and deep ash pit. The Oreole can be used for wood by removing endliners in fire-box.

"HIGH GRADE—LOW PRICE"

Our "Magic" stove is so called because of the rapidity with which it may be heated to the cooking point.

This is due to the construction of the ash pit, fire box and flue spaces.

We put the best material obtainable in this stove and have it carefully mounted by experienced men. The fire box parts are heavy and will last indefinitely.

Our "B'ham Delight" is a modern stove, made of best material and well mounted.

It has deep ash pit, ample flue spaces and roomy fire box, which insures satisfactory results.

We use a heavy, single fire-back, which will last almost as long as any part of the stove.

It will make friends for the dealer, as it is truly a "Delight" to the user.

Our "Hummerette" is a little hummer.

It is very similar to the "B'ham Delight" in design and of the same construction.

Containing the best material and being securely put together, it represents the best value obtainable in a stove of this size.

Will take 13x13 pan at the bottom and 7x14 at the top of oven.

"HIGH GRADE LOW PRICE"

The "Clipper" is especially designed for coal. It has a design similar to the Magic, but is built with pouch feed, heavy fire back, dump grate and end-liners to burn coal instead of wood.

We are rarely ever called upon for duplicate fire-backs in our coal stoves. We put in a specially designed fire back which has remarkable fire resisting qualities and adds materially to the length of service which can be obtained from the stove.

For the purpose of ordering stove repairs correctly always face the front of the stove. Your left will then be what we call the left side of the stove and your right the right side.

## Hollowware

"List No. 1" consists of six pieces, as follows: Two pots, two spiders, two griddles.

A "Set" of castware is same as List No. 1 with the addition of one Teakettle.

"List No. 2" is as follows: Two spiders, two griddles, two pots, one teakettle, two bread pans, two pot covers, one elbow, three joints of pipe.

## Ground Hollowware

We can furnish Pots, Spiders and Griddles with the interior surface ground down to a smooth, bright finish on basis same list prices quoted on the plain ware, but at slightly less discount.

## Quality

Our Hollowware, both plain and ground, is of better finish than the ordinary ware on the market. Our Spiders and Griddles show no gate marks whatever, the bottoms being as smooth and pretty as the interior.

## Guarantee

We guarantee every piece to be free from sand-holes or other imperfections, which also applies to English Pots, Sugar Kettles and Country Hollow-ware.
